

007
**THE MUSIC OF
JAMES BOND**

AUGUST 11, 2021 - 7:30PM

RENO PHIL ORCHESTRA CONDUCTED
BY JASON ALTIERI

SPONSORSHIP

Enter a world of double agents, espionage, and suspense as you treat clients, colleagues, and friends to an unforgettable night of music at Greater Nevada Field as the Reno Phil presents 007: The Music of James Bond. Sponsors will have brand recognition in front of thousands of attendees, in addition to marketing materials that will reach thousands more. Sponsors get a private box suite for their group, which includes a comprehensive food and beverage package.

Enjoy music from Bond classics like *Live and Let Die*, *Diamonds are Forever*, *Skyfall* and more as Broadway vocalists Hugh Panaro and Morgan James join Associate Conductor Jason Altieri and the Reno Phil Orchestra.

Becoming a sponsor means that you help the Reno Phil, a 501 (c) 3 non-profit, sustain and expand its offerings of classical and pop concerts and music education programs. Your support fosters a community where live music thrives and brings people together.

\$10,000 – 007

- Two box suites during the concert for 40 people (20 per suite)
- Comprehensive food and beverage package (non-alcoholic) for both suites
- Exclusive brand recognition on the lower third of stadium video board (directly below video of concert feed)
- Opportunity to table outside of Great Nevada Field on plaza and inside on the concourse

\$5,000 – Shaken Not Stirred

- One box suite during the concert for 20 people
- Comprehensive food and beverage package (non-alcoholic) for the suite
- Opportunity to table inside on the concourse

\$3,500 – MI6

- One box suite during the concert for 20 people
- Comprehensive food and beverage package (non-alcoholic) for the suite

All Sponsors Receive

- Recognition on LED ribbon sign (rotating acknowledgment of all sponsors)
- Recognition in all marketing materials
- Live link on Reno Phil website
- Listed as a corporate partner on the Reno Phil's website and in all 2021-2022 Classix season programs

Sponsorship opportunities are still available.
